Scholarship Committee 2024

If you are interested in being a part of the local's scholarship committee, please sign up here. Work will begin soon and will conclude by the end of November for now. Then, you will meet again in the spring to determine our recipients.

Strategy Team Working Groups

If you want to be part of the groups working on plans for next year's focal points, sign up. Groups will begin work in November and will conclude by March. If you don't sign up to be a part of the solution, you can't say you didn't have a voice. ***Not being given a voice and choosing not to use your voice are two different things.***

Professional Development Training Options

Select training you might be interested in taking. From there, our local will create a training calendar for the remainder of the year. This training is provided to you at no cost through your union dues.

HSA & Health Partners

You should get these apps for your phone: Wex and Health Partners (pics attached).

You will be able to monitor your HSA balance, scan receipts, and reimburse yourself. With the Health Partners app, you can enter procedures to see what your cost will be. You can also schedule your Virtuwel appointments.
