Happy Friday! I hope you had an amazing week. I am sure there are kids all over this area who are going to have a great weekend because of you. Thanks for all that you do!

Thank you to all of you who attended the meeting/party on Wednesday! It was a fun time. As stated before, these monies are from EdMN and the OFS grant. To learn more about this and how you can get involved in planning fun events, please email [Kreisa Duwe](#), our new member outreach chair.

This seems like a short update, but there is a lot going on behind the scenes. If you have a concern, please reach out. Also, please reach out with your successes. I would love to showcase those. My phone extension is 41345; leave a message if I don't answer.

How can you help without phone banking? Could you. . .?

- Vote Early--go vote with a group!
- Post something on social media (I have attached the Vote Yes flyer)
- Talk to colleagues in your building

Mark your calendars for an election night gathering at Mad Dogs from 5-7 on Tuesday, November 7th.

### **Classroom/Work Area Not Getting Cleaned?**

I have been hearing that we have some issues with areas not getting cleaned. Darin Cherne and I met on Wednesday to discuss this issue, along with others. Here is what you need to do:

1. Have a quick conversation with your custodian about your room. "Hey, did you know my room didn't get swept last night?" "Hey, could you clean my boards?"
2. If it happens again (a second time), please email Darin Cherne about your concern. The email should contain your room number and building.
3. If you have already done #1, move to #2.
4. If you have done #2 with no result, email me.

Also, I am attaching the classroom cleaning protocols for your reference.

If you are dumping milk into your sinks, please rinse it.

### **Referendum Info**

Please respond to this form regarding how cuts have impacted you and your classes. How Have Cuts Impacted You (Click here to respond)

### **Maintenance Work Orders**

I am attaching the directions for completing a Schooldude request for maintenance work orders. The final password is isd318. If you have issues, please let me know.

### **Board Session, 10/9**

On Monday, the board will be making decisions about what is on the plate to cut if the referendum does not pass. It is a public meeting, so if you want to go, they are starting at 5pm. Look for information from that next week.

### **Grant Reminders**

Don't forget grant deadlines are coming in November and December. Refer to past updates for links and info. If you are submitting an EdMN grant, I need those at least a week in advance to sign off on them.
